For Immediate Release

Kilian Thalhammer joins online payment and fintech leader iyzico

This hire advances iyzico's expansion plans to further its online payment business into more markets in the Middle East and Europe.

November 21 - Istanbul, Turkey, Online payment and fintech leader iyzico announced that Kilian Thalhammer has joined its Istanbul-based team as Senior Vice President of International Expansion.

Thalhammer, a key member of the "Fintech Mafia" brings to iyzico 15+ years of experience. That experience includes RatePay (Otto Group), Rocket Internet's PAYMILL, Lodgify, Loyaltyprime, Savedroid, Sweep, Easycore, and SatoshiPay.

"Since our launch in 2013, iyzico has been becoming the leading online payment provider in Turkey. Early this year we expanded into Iran. With Thalhammer on the team we're eager to roll out our services in other markets in Middle East and Europe thus push fintech further forward," said Barbaros Ozbugutu, iyzico CEO.

Ozbugutu noted that iyzico was founded on the vision to create a seamless and innovative payment solution for both local and international companies, small businesses, e-commerce and corporates.

"Quality is what guides us at iyzico. We are dedicated to producing the best products and solutions for entrepreneurs and businesses for everyone everywhere. That is why we have an A+ team who are equally committed to adding value to customers and the fintech field," Ozbugutu said.

"Kilian's expertise and extensive network will make our future plans of becoming the "payment champion" of the region more embodied."

**About iyzico**

iyzico is a payment service provider (PSP) for online businesses and enterprises, particularly e-commerce platforms. iyzico's payment system is easy to integrate, provides fast onboarding in less than 24 hours, PCI-DSS certified to ensure maximum security. It offers online businesses and enterprises the ability to collect payments in their local currency through installments. Founded in 2013, iyzico has over 40.000 registered merchant accounts and is one of the fastest growing financial technology company in the region.
